## Conference Prospectus

# Dear MUN Advisors,

It is with new, healthy experiences and profound discussions that leaders of the new generation are guided toward a path of growth. We are thus excited to invite students from your institution to participate in CSIAMUN, a distinguished Model United Nations conference tailored for students in grades 7-12.

CSIAMUN offers an outstanding platform for students to engage in diplomatic debates, hone their leadership abilities, and gain a comprehensive understanding of global issues. We look forward to bringing together talented individuals from across the world for this transformative experience.

The event will take place from February 5-7, 2025, in the scenic town of Gapyeong, South Korea. Starting in September, registration for CSIAMUN XVII will be accessible online at our newly launched website, [csiamun.org](https://csiamun.org). The prospectus includes detailed information about the committees, topics, conference fees, and logistics, such as travel and accommodation.

We would be delighted to welcome a delegation from your school to our conference. For more information, please visit our website or contact us directly. We hope your students will join us in February for an unforgettable Model UN conference.

If you have any questions or require further details about CSIAMUN XVII, please feel free to reach out to us.

Best regards,  
SeungYun Lee

# About CSIAMUN

CheongShim International Academy Model United Nations is a prestigious MUN conference, proudly organized by the students of CheongShim International Academy since 2007. Emphasizing a legacy of positive influence, innovation, and inclusivity, we annually host 200 to 300 students for an immersive 3-day conference in Gapyeong, South Korea.

CSIAMUN XVII will continue to emphasize the integration of STEM agendas into international relations discussions, ensuring a transformative experience for all the participants. We provide extensive resources, including detailed delegation guidelines, workshops, and a supportive environment that allows delegates of all backgrounds to fully engage and excel in their roles in the conference.

This multidisciplinary approach empowers delegates to propose innovative solutions to global challenges, fostering a conference atmosphere that is both meaningful and well-organized. Just an hour away from Seoul, the scenic location Gapyeong, where the conference will be held, offers participants the chance to experience Korean culture while engaging in stimulating debates and forming lasting connections with a diverse group of students from all around the world.

Join us at the conference this winter for an unparalleled educational experience that combines rigorous academic discourse with cultural immersion together with the CSIAMUN XVII members.

## About CSIA

Cheongshim International Academy (CSIA) is an esteemed educational institution renowned for its commitment to nurturing global leaders through its unique ACG doctrine: Altruistic, Creative, and Global students. The ACG doctrine serves as the guiding principle for Cheongshim's educational philosophy. Altruism forms the foundation of the academy's teachings, instilling in students a sense of compassion and empathy — cultivating students who are creative and demonstrate a genuine concern for the well-being of others, both locally and globally. The global aspect of Cheongshim's doctrine reflects its commitment to preparing students for a diverse and interconnected world. Recognising the value of cultural exchange and international perspectives, Cheongshim is an avid member of Round Square, the network of globally-minded schools. Through partnerships with schools worldwide and cultural immersion experiences, the academy strives to develop students who possess a deep appreciation for different cultures and are equipped to address global issues. The ACG doctrine emphasizes kindness, intellect, and global leadership, making Cheongshim Academy a unique educational institution. With its commitment to developing altruistic, creative, and global individuals, the academy continues to inspire and empower its students to become compassionate leaders who positively impact the world.

# Testimonials

"CSIAMUN was a truly formative experience! Not only was I able to hone my MUN skills, but the conference was an invaluable opportunity to actively engage with my peers. By sharing unique viewpoints and devising creative solutions together, I've grown both as an individual and as a team player. Be ready to expand your understanding of global issues and flourish in your heightened confidence!"

**Yoon Na, CSIAMUN 2023**

**Yuki Ikeda, CSIAMUN 2024**

"CSIAMUN has truly helped me grow so much, both as a delegate and as an individual. My first mun was with CSIAMUN, and since **2021**, I haven't missed a single conference. The vibrant atmosphere and the wonderful people unique to CSIAMUN are what keep me coming back year after year. It's truly an all-rounded experience."
